

It's the biggest week ever for volunteering.

Saturday, join millions across the nation.

Memphis: Children's book author Nick Katsoris hopes to rally 10,000 kids nationwide to help others. He'll read from his "Loukoumi" book series at St. Jude Children's Research Hospital and has organized reading activities at bookstores and schools nationwide so kids can pledge to do a good deed.

October 16-17, 2009
